

## European Union's REACH Regulation Declaration Certificate

The European REACH Regulation 1907/2006 on Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) Annex XVII entered into force in June 2009, and affects all companies producing, importing, using, or placing products on the European market. The aim of the REACH regulation is to ensure a high level of protection of human health and the environment from chemical substances.

Premier Magnetics substances management system follows and complies with the current revision of the REACH Regulation on the substances as identified by ECHA (European Chemical Agency).

Premier Magnetics products are considered articles as defined in REACH Article 3 (3). These products/articles under normal and reasonable conditions of use do not have intended release of substances. Therefore the requirement in REACH Article 7 (1) (b) for registration of substances contained in these products/articles does not apply.

Premier Magnetics Corporation's products/articles, do not contain Substances of Very High Concern or if there are SVHC in the product/article, the content is less than the 0.1% by weight as defined by REACH Article 57, Annex XIV, Directive 67/548/EEC. Therefore the requirement in REACH Article 7 (2) to notify ECHA if a product/article contains more than 0.1% by weight of an SVHC and tonnage exceeding 1 tonne per importer per year is not applicable.

Premier Magnetic \91s operations do not manufacture or import chemicals, therefore , Premier Magnetic has no obligation to register substances. THE REACH SVHC LIST IS DYNAMIC AND SHOULD NOT BE ASSUMED TO BE THE FINAL REACH CANDIDATE LIST.
